

The Fernandez Breast Health Clinic

Holistic Breast Wellness
Powered by Expertise!

fernandez

With breast cancer cases on the rise, regular breast check-ups have never been more important. **At the Fernandez Breast Health Clinic, our team offers complete care for women of every age, all in one place — from early detection and accurate diagnosis to treatment and long-term support.** Whatever your breast health needs may be, we're here to ensure you get the right care at the right time.

An All-inclusive Clinic

Our speciality clinic is equipped with cutting-edge diagnostic tools, imaging technology, and a team of skilled professionals dedicated to providing accurate and timely health assessments and outcomes. With a primary focus on comprehensive breast cancer care, we also offer reconstructive and cosmetic breast surgeries, carried out with precision and aesthetic sensitivity, empowering women to regain both confidence and comfort in their bodies.

Why Choose The Fernandez Breast Health Clinic?

Care that Reflects Expertise

A team of highly trained and competent specialists with multidimensional experience in breast wellness, offering safe procedures with minimal risk.

Advanced Technology for Precision

Modern screening tools and cutting-edge techniques to minimise misdiagnosis and enhance the impact.

Accessibility and Safety at Every Step

A space that offers respectful, compassionate care that prioritises your dignity and emotional well-being at every stage.

What We Offer

- Diagnosis and management of benign breast diseases
- Conservation surgery, mastectomy with/without reconstruction
- Breast reconstructive procedures
- Breast augmentation and reduction (mammoplasty) procedures
- Implant-based breast reconstructions, fat grafting, nipple reconstruction, and other cosmetic procedures
- Autologous reconstruction – Latissimus Dorsi flap reconstruction
- Lymphedema of the arm and breast
- Corrective procedures of previously operated breasts
- Advanced breast diagnostic procedures

When to Visit our Breast Health Clinic?

Women above the age of 18 years and those below with a paediatric reference can visit our clinic if:

- You experience pain or feel lumps in your breasts
- Your breasts change in size or shape
- You observe any nipple discharge, changes in your skin, or redness
- An existing lump in your breast grows or is associated with pain
- You are looking to undergo any cosmetic or reconstructive breast procedure
